

# Parenting Through Uncertainty

A Night of Support for Parents, Caregivers, and Staff

**MONDAY, APRIL 22ND, 6:00-7:30 PM**

**New Bridge Community Church**

**812 Central Street SE (enter via parking lot on 10th Ave SE)**

This evening is an opportunity to both acknowledge the pain and sadness that has been part of the closure discussions and find real tools to move through this time and into what lies ahead. Facilitated by Lillie McCatty, LMHC, CMHS, a local licensed mental health counselor, the evening will be formatted to allow for the needs of the community that attends to focus the path of the discussion.

Childcare will be provided.
